**SINCE
1992**

SINCE **1992**, WE'VE BUILT A HERITAGE OF EXPERTISE—
POWERED BY OUR OWN **GREEN** FACTORY AND TRUSTED FOR
DURABLE, **SUSTAINABLE**, HIGH-QUALITY PRODUCTS

OEM

Own collections and private-label: powered by decades of apparel expertise, delivering high-quality garments built for performance and built to last. Sustainably made in our own green factory, with rigorous quality control from fabric to final inspection.

ODM

We design and manufacture clothes. From design to production, we craft and customize every piece to reflect your unique style. We combine creativity, craftsmanship, and technology to deliver exceptional quality and timeless style.

QUALITY CHECK

With EKO-TEX and ISO 9001 certifications, we ensure the highest standards of quality and sustainability. Our in-house quality control and production processes cover every requirement of end-user brands. We design, manufacture, and personalize our products to meet each client's unique needs.

LOCAL WARE HOUSE BASE IN **DUSSELDORF-GERMANY** THAT
ENABLES FAST AND EFFICIENT PRODUCT DISTRIBUTION ACROSS
ALL **EUROPE**

Armadillo GmbH

HQ and warehouses operate from Düsseldorf, North Rhine-Westphalia. We provide best possible service to our customer.

Factory

The factory and design center are located in **Türkiye**, combining the country's long-standing know-how and experience in textiles with a strong and efficient production capacity.

Delivery

As in production, we are highly flexible in logistics as well, offering express shipping options from **Türkiye**, while the standard delivery time is approximately ten days. From Türkiye to **Germany** is 10 days and 1-2 days for domestic shipments.

Full-Service

Design, pattern making, technical specifications, printing, embroidery, and many other production services are all provided in our factory by our experienced textile engineers.

KARDELEN FACTORY

Kardelen is a family company base in Istanbul-Türkiye. With more than 35 years experience, company is the leader role in Türkiye.

Powered by an on-site solar array, the factory champions green energy while proudly maintaining a predominantly female production workforce—underscoring a deep commitment to equal opportunity.

Yearly Production 1.000.000 piece

Location: Tokat- Türkiye

Open Area: 33.000 sqr

Cloes Area: 11.000 sqr

HQ in **Istanbul**. 5 shops in **Türkiye**.
1 shop in Germany. 1 group company (**Armadillo GmbH**) base in **Düsseldorf-Germany**.

Factory in Tokat-**Türkiye**.
